AIM OF THE MISSION

To let students express in an artistic way what they have experienced abroad. This activity will allow students to reflect and self-evaluate their stay abroad during mobility. It will be also a tool to promote and disseminate mobility

TIPS AND TRICKS

DESCRIPTION OF THE ACTIVITY

By memorizing the beautiful days abroad inspire the others and write theatre play, a poem or a song which shows your mobility experience underlining specific cultural differences, eg. body language, gestures, code behaviour. Organize a show and invite your classmates and school teachers to present it.

Create a team of people you want to work with and think about your experience abroad.

Choose max. 3 topics you would like to talk about (through playing, singing, dancing).

Write a plot or the text for your poem/song and start to prepare a theatre play. Invite the audience and have fun!
