PLAY MODE

INDIVIDUAL

AIM OF THE MISSION

- To present with a video the Job Learning outcomes reached during the Erasmus experience (done by the students who realize the mobility).
- To use the video with the students interested in doing the mobility oversize.

TIPS AND TRICKS

You can play in team in case more than one students have done the internship in the same company.

DESCRIPTION OF THE ACTIVITY

Have you ever been a director of a movie?
Have you ever been the director of your boss?
This is your moment, show us your movie (and work) skills!

DURING THE MOBILITY: Record videos during work time. Focus and thinks about moments at work that you like and to record short video of them.

DURING THE MOBILITY: Interview some of your workmates in their mother tongue, in order to let the audience understand what kind of work you're doing and in what consist of this work. Questions needs to be related to your job

AFTER THE MOBILITY: Make a video in which you share your thoughts about what you learnt during the mobility.

AFTER THE MOBILITY: Edit your videos you made and make a video that last not more than 5 minutes. include subtitles on your mother tongue. Present it in your classroom and share it with your hosting organisation
