

MOBILITY VIBES

KEY COMPETENCES

CULTURAL AWARENESS AND EXPRESSION

PERIOD

AFTER

PLAY MODE

INDIVIDUAL

AIM OF THE MISSION

To share memories of the mobility period by reproducing local music. To get familiar with international and foreign music.

TIPS AND TRICKS

Start following the playlist of your mates

DESCRIPTION OF THE ACTIVITY

Create your own playlist and name. Use any kind of music platform to create it and to share it with your friends. Link your playlist with other social media channels.

Choose the music platform you prefer (e.g. Spotify, Youtube).

Choose local songs which remind you of your stay in the hosting country (during mobility) and create a playlist.

Select music to add to the playlist and share it with other social media channels.
