AIM OF THE MISSION

Collect the best memories of cultural experience. Inspire others. Develop teamwork skills. Disseminate project results. Develop communication skills.

TIPS AND TRICKS

Organizations of the gallery should have feedback from visitors (if they like it or what can be improved). Collect strong points and weaknesses of your event.

DESCRIPTION OF THE ACTIVITY

Compose a team and think about mobility experience. Take a look at pictures you took during mobility and choose this which shows other cultures in the best and inspired way. Prepare a photo gallery and be a guide for visitors. Promote your exhibition (eg. flyer or online)

Select with your team photos you want to show to the public.

Find inspiration, think about the story which is behind the photos and be ready to tell it to the audience.

Take care about good quality photos, print photos, think about material you will need and about a place for install an exhibition.

Do the promotion through social media and organise exhibition
