

# VIRTUAL COOKBOOK

## KEY COMPETENCES

CULTURAL AWARENESS AND EXPRESSION

## PERIOD

AFTER

## PLAY MODE

INDIVIDUAL / IN TEAM

## AIM OF THE MISSION

Increase students awareness on foreign food culture

## TIPS AND TRICKS

## DESCRIPTION OF THE ACTIVITY

You have to choose a typical recipe from the hosting country and have to prepare a meal. You have to record a video and take pictures during the cooking process. Using social media, hashtags and tagging other players, you have to show your results and challenge other students to cook a different typical recipe. You have to publish or share your video on social media (FB, Instagram, Youtube, Tik Tok).

**Choose a typical recipe from the hosting country.**

**During preparation you have to record a video or take pictures.**

**Share the video on social media channels and challenge other students to cook another typical recipe.**
