AIM OF THE MISSION

Increase cultural awareness of the learner towards its hosting country.

TIPS AND TRICKS

Why not make a competition out of it ? The person with less points has to prepare a local meals from his/her future host country for the rest of the group !

DESCRIPTION OF THE ACTIVITY

Your dream is to become a hero and to be known everywhere for your actions? Be inspired by people who did something very relevant in the history of the country where you are going to live!

Find the history of a person who has lived in the country where you will go in mobility and who is considered a hero.

Choose 5 pictures that can describe his/her history and share the short presentation to the other members of the group.
