AIM OF THE MISSION

Reflect about cultural knowledge gained in a foreign country and transfer it to ease the cultural shock for other students who will leave after the group.

TIPS AND TRICKS

Discuss in groups to see what could be in a survival kit for your own country.

DESCRIPTION OF THE ACTIVITY

Collect shocking experiences and create a Survival Kit related to the cultural shock that you experienced during your mobility to support the students coming in the same country after you.

Do you want to know more about Culture Shock? Read [here](#).

Recall the cultural shock experiences you had so far.

Underline points in common or differences with your country. You can answer with a text or a quick video.

Prepare a survival kit (a collection of the things that shocked you most) for next participants coming to the country you are in and advises).
