AIM OF THE MISSION

To be aware of the presence of European Institutions in your hosting city / country.

TIPS AND TRICKS

Had you realized there were so many things related to Europe everywhere around the world ?

DESCRIPTION OF THE ACTIVITY

Let's find those little pieces of Europe spread all around : museums, buildings, or even more interesting, discover projects (cultural, economic, artistic, etc.) funded by the European Union ! (Depends on the "level" of the students!).

Search for entities or activities linked to Europe and the European Union in your host city.

illustrate by taking pictures and/or taking interviews.

Make a Daytripper story of your experience.
