## AIM OF THE MISSION

Increase cultural awareness of learners about culinary differences.  
Help learners to see the use of sciences and maths in the everyday life.

## TIPS AND TRICKS

Why not make a story on daytripper to report this experience.

## DESCRIPTION OF THE ACTIVITY

Food is the center of socializing, so why not organize a get together with your friends / classmates / coworkers ?

**Think about the number of people you want to invite.  
How many dishes you want to serve ?**

**Choose a local dish you want to serve. What is it ?**

**Plan a budget for your diner: what exactly do you need,  
how much money will you need, budget per person...  
Share with us a photo of your budget.**
