AIM OF THE MISSION

Raising awareness of different law and attitudes to similar issues in different countries.

TIPS AND TRICKS

Talk with your mates, are there any weird laws in your own country ?

DESCRIPTION OF THE ACTIVITY

Are you sure you are doing everything legal in your hosting country? Maybe not.

Find 3 weird laws existing in your hosting country, probably not applicable anymore. Want an exemple ? Women in France were legally forbidden to wear pants until 2013 !

Go ask locals about these 3 laws, do they know them, is it actually applicable ? Make a video.
