## Learners follow-up

## Individual debrief after mobility

Back from mobility, the SEPR Erasmus+ Coordinator has an individual debrief with each participant.

Objectives :

- have the learner's feedback through a google form
- collect the Erasmus+ contractual documents
- collect photos and/or videos for dissemination
- enquire about their future professional projects that could include new mobilities
- offer them new opportunities to leave on Erasmus+ long-term and post-graduate mobility.

The Erasmus+ grant is paid according to the following terms and conditions:

- deposit of **80% before** the start of the internship
- payment of the **20% balance on return from mobility**, on presentation of the Erasmus+ contractual annexes completed and signed.
