
UNISER AND ECVET

— How we apply EcVET procedures —
after mobility

LET'S SUM-UP HOW EcVET WORKS

THE DOCUMENTS

- Learning Agreement
- Stage diary (based on the model used by the Italian schools)
- Stage register (based on the model used by the Italian schools)
- Company evaluation (based on the model used by the Italian schools)
- Europass mobility

VALIDATION

The board of teachers validates the assessment made by the company abroad, which are accompanied by the documentation listed in the MoU

RECOGNITION

The board of teachers recognizes the learning outcomes achieved by exempting the participant from the mandatory internship foreseen by his study programme. Sometimes the schools decide to give to participants additional CREDITS useful for their final exams

AFTER THE DIPLOMA

All the participants receive their Europass Certificate Supplement...

...and also all the other students of the School
